

G-d is Alive and Well in Jerusalem

Moshe Hecht-Vocals; Yaron Gershovsky-Piano; Gershon Veroba-Vocals, Organ; Yossi Eckhaus-Guitar; Gal Gershovsky-Drums; Tony Montalbo-Bass;

If I ever get back to California
I'm gonna round up every Jew I'd ever known
I'm gonna sit them right down there in front of me
I'm gonna take out this guitar and sing them all this song

G-d is alive and well in Jerusalem
People praying three times a day to him
Throw away the cars, the bars, the stocks and bonds and up-kept lawns
Grab a boat, a plane, if need be swim

Some folks got a Lincoln Continental
with tinted glass so nobody sees in
And just one time I'd like to roll down that window
and say you aint' gonna' fool the L-rd with this hunk o' tin

(G-d is alive and well in Jerusalem...)
