

That's My Boy

Rivie Schwebel-Vocal; Gershon Veroba-Keyboards, Vocals; Zevy Zions-Accordions; Gal Gershovsky-Drums

That's my boy
That's my little boy
With the Rabbis all around him
That's my boy

Eight days old
Only eight days old
With the Rabbis and the mohel that's
my boy

We make a kiddush on the wine
And we say a little prayer
And we pray to G-d to keep him safe
from harm
We make a kiddush on the wine
And we say a little prayer
And we pray to G-d to keep him safe
from harm

And that's my boy,
That's my little boy
With his tallis and his tfillin
That's my boy

Just thirteen
He's just thirteen
Now he's reading from the torah
That's my boy

We make a kiddush ...

And that's my boy
That's my little boy
Now he's underneath the Chupah
That's my boy

So very young
So very young
With his bride his wedding ring
That's my boy

We make a kiddush ...

And that's his boy
That's his little boy
With the Rabbis all around him
That's his boy

Eight days old
Just eight days old
With the Rabbis and the mohel that's
his boy

We make a kiddush ...
